

What is your ability to face the challenges working in the NHS?

What would you do if someone asked you to complete a task you were unsure of?

What additional training have you done? What are your achievements to date?

What are your long term plans for your career or specialism?

What specialities are you most comfortable working in? Why? Are there any areas/wards that you would not work in? If so, why?

What attracted you to work as a Nurse?

How would you react if you discovered that a colleague was behaving badly towards a patient?

Have you received any cautions or suspensions from a position or recieved a caution/suspension from the NMC?

Are you up to date with your CPD?

☐ Yes ☐ No

If "No", what steps are you taking to address this?

I confirm I have been interviewed by Medsol Healthcare, GPS Locums and Healthcare staffing solutions and the content of this registration pack, including the GDPR consent request, information release request, personal information, and self-appraisal details are correct at the time of signing. I agree to Medsol Healthcare, GPS Locums and Healthcare Staffing Solutions using the data I have submitted on this form. I confirm I have received and read Medsol Staff Handbook.
